Notes/Reminders/Exceptions

- 1 Figures do not include the cost of Health Insurance or Tuition Refund Insurance which you may be required to purchase or optout of at catholic.edu/studentinsurance. The 2024-2025 insurance costs are to be determined.
2 Housing & Food allowance are average costs and not your actual charges. Charges will vary depending on meal plan selection and housing choice. Living off campus could impact your charges and potentially your financial aid award.
3 If pursuing loans, projected expenses includes estimated fees for Parent PLUS Loans and Direct Student Loans.
4 If your aid package is estimated, please be aware that the award amounts may change after the federal verification process is completed or after other issues preventing an official aid package are resolved.
5 Figures do not include federal loan origination fees that are deducted from the loan gross amount.
6 If qualified, work-study is paid out as time is worked in the form of a paycheck. It does not apply to the bill.

Budgets are provided for student planning purposes only, individual student bill will vary. Estimated tuition for engineering and architecture students is slightly higher at \$57,630. Living off campus could impact your Cost of Attendance estimates and potentially your financial aid award. Speak with a counselor regarding living off campus.
