

STUDENT PERMANENT DISABILITY STATEMENT

Student Name: _____ **CUA ID:** _____

Federal regulations require that, in order to qualify for additional federal student loans, a statement must be signed by a borrower who has prior Federal Family Education Program (FFELP) and/or Direct loans canceled due to a total and permanent disability. This statement must acknowledge that new federal student loans cannot be cancelled based on the borrower's present condition. Regulations also require that the borrower's physician certify that the condition that caused the loan(s) to be cancelled is no longer an impairment to gainful activity.

INSTRUCTIONS: Read and agree to the statement below. You are not required to agree to this statement, but you will be unable to pursue federal loans if you choose not to agree.

Please return this form to the address indicated above or
upload in Cardinal Students: financial-aid.catholic.edu/upload.

I am aware that my new loan(s) cannot be cancelled in the future on the basis of any present impairment, unless said impairment substantially deteriorates to the extent that the condition of total and permanent disability is met.

This signed statement is required to satisfy eligibility requirements to receive Federal Title IV student aid.
